

ugh...

I shouldn't have eaten that chicken...

-Mona-

No, the god-like chicken had no fault.

It is my face's fault for not handling it.

But it's a bit funny that it's puffy not because I cried but because I ate chicken...

But somehow...

I DON'T
FEEL ALONE
AT ALL
THIS TIME
ROUND.

What a nice
weather...

**IT'D BE
GREAT IF
YOU DIDN'T
EXIST!**

SIGHHHHH~
I'm so~ sad~

It feels like our jing-mi is having some fun or other recently.
But she won't tell me about it at all~

WAAAA~
I thought we were the closest friends~
I guess it was only me who thought it was like that~

Today I don't care about work or whatever.
I just want to go to the sea in Incheon.

I'm so sad that I have no strength..

WAAAAAAN~
I really don't want to work today!
Let me atleast see the incheon coast!
PLEASE~!

I'm so annoyed that I can't fire that person myself

HEEHEE
I'll call them, tell them to not search for us
ARE YOU FINE?

HAHA
Awah!
I think I left my phone at the cafe!

Go inside first, I'll get my phone and be with you soon.

No, let's go together.

SINCE I'M CALMING DOWN, YOU'LL NOT GO AWAY

Hehe~!
NO wanna~!
DASH~

I'm going to be alright! I'll return soon!

I WANT TO ASK YOU IF THIS SKY'S LIGHT THAT I'M SEEING RIGHT NOW IS SAME AS YOURS,

AND IF I AM HAVING THE SAME FEELING AS YOU RIGHT NOW,

I'm just strangely curious.

And it's strange that I'm curious.

Ah

Found you.

I don't have anything to do with you anymore.

Don't you remember?

Go tell Han-Guk-Hwa that you were the one who flirted with first!

... you crazy br-

'You think that stupid' who would ever believe something like that?

YOU SON OF A-

GRAB!

Who are you?
